

BSPA NOTICE

23rd February 2010

The JMB office will be closed from 7th to 30th May 2010.

Owners should post equine passports with JMB pages in them for updating with a recent measurement to the JMB so that they can be returned before the office closes.

Official Measurers will be told not to send Measurement Application Forms and existing JMB Measurement Certificates to arrive during this period.

Passports with JMB pages will be updated and sent back to owners as long as both the Measurement Application Forms and the passports are received before 6th May.

Owners are reminded that once an animal's passport is posted the animal cannot be moved from its stable or field and that if the passport cannot be returned within 5 working days a temporary passport has to be applied for."
